I would like to commend M&M Meat Shops for organizing its first-ever National Family Dinner Night on November 3.

This event is a wonderful way to mark M&M Meat Shops' 25th anniversary as you encourage families across Canada to come together for a simple thing we often take for granted – spending time with family and friends at the dinner table. In a fast-paced world, it is the time we share with our loved ones that gives us a welcome respite from our busy daily lives and provides us with the opportunity to reflect on what is of greatest importance.

I'm extremely pleased that for every individual or family who registers their participation in National Family Dinner Night, M&M Meat Shops will make a donation to the Crohn's and Colitis Foundation of Canada.

Let me offer my best wishes for this worthwhile and thoughtful endeavour.

Sincerely,

A handwritten signature in blue ink that reads "Mary Anne Chambers".
