

GREETINGS FROM THE MAYOR OF HAMILTON

On behalf of the City of Hamilton, it is with great pleasure that I congratulate **M&M Meat Shops** on the occasion of their **25th anniversary**. On November 3, 2005, they celebrate with Canada's first ever **National Family Dinner Night**.

M&M Meat Shops have contributed tremendously over the years to our community through their many initiatives and sponsorships. Their support and fundraising efforts to battle inflammatory bowel disease has been significant and proceeds from their recent project, **National Family Dinner Night** will be donated to the Crohn's and Colitis Foundation of Canada.

I would encourage you to participate in **National Family Dinner Night**, taking the time to share with loved ones, truly appreciating the value of family and friends. May we keep in mind, those less fortunate and may we work together, in the spirit of this fine community, to educate, support, and establish important resources to combat this most crippling disease.

Sincerely,

A handwritten signature in cursive script that reads "Larry Di Ianni".
