On behalf of the government of Nova Scotia, I offer my sincere congratulations to M&M Meat Shops on the launch of National Family Dinner Night.

Time well spend with family and friends is both a deeply held tradition and valued part of our heritage. Our families, communities and province are stronger for it. Family dinner night will be an excellent contribution to Nova Scotia life.

Once again, congratulations to M&M Meat Shops and to all families in Nova Scotia and across Canada in making National Family Dinner Night a success.
